Announcement

In making this, our second association sale, we are offering a good lot of useful cattle. Not fat, but in good thrifty condition. There are 48 head in the offering.

Guarantee—Each consignor personally guarantees his contribution to the sale. All cows with calf at foot, or known to be well along in calf, are considered breeders and no further guarantee on such is given. The remaining females and the males, if not allowed to run with the herd, will be taken back after six months trial, if they fail to breed. To be returned in as good condition as when sold, and if in hands of seller they fail, purchase money will be refunded, the purchaser to be at expense of shipping.

Terms—Cash. If time is desired make such arrangements with the owner before sale. Cattle at purchaser's risk as soon as sold, but will not be delivered until settled for. Animals will be fed and cared for after the sale and loaded on cars free of charge, but at purchaser's risk. Cattle that are sold in territory requiring it will be tested.

Sale will begin at 1:30 p. m. Bring this catalog with you.
